3. O little one sweet, O little one mild,
In thee love's beauties are all distilled;
Then light in us thy love's bright flame,
That we may give thee back the same,
O little one sweet, O little one mild.

4. O little one sweet, O little one mild,
Help us to do as thou hast willed.
Lo, all we have belongs to thee!
Ah, keep us in our fealty!
O little one sweet, O little one mild.
